Psst! If you are a kid, come closer. If you're not a kid, stop reading! Right now. We're not kidding.

This book is FOR KIDS ONLY. Okay, now here's what's inside: Open to any page and find fascinating facts and brain-building activities guaranteed to make you smarter, funnier, more interesting, and better looking than your friends! (Weel, maybe not the last part.) Warning! Kid-topia is too much fun for adults. Uncle John's Kid-Topia is a bathroom reader for kids. It has much interesting, useful (some not), fun facts, recipes, activities, and games to keep any kid busy every weekend of the year plus summer vacation. Whatever interest you may have, this book is sure to have something new on the subject. Do you like dinosaurs? Did you know that the T-Rex had a four-foot long jaw with banana size teeth? Scientists have found other dinosaur bones with T-Rex teeth stuck in the bone. If that makes you hungry, Uncle John's Kid-Topia contains many tricked-out recipes. Ice-Cream Fastball, Banana Slug, Bird-Poop Pancakes, and Maggoty No-Bake Brownies to name just a few of the delicious recipes written with kid cooks in mind. There are many games inside Uncle John's Kid-Topia. Included are puzzles (Bug Sudoku), Mazes (Ogre Drool), wordplay (Toad Tongue Tangles), brain games (Shape Shifting), and others that do not fit easily into a category (Dragon Dice, Sea Horse Seekers, Victory Dunces). Uncle John's Kid-Topia even has good-old-fashioned articles to read. Read (and learn), about weird creatures in The Hunting of the Snark, The Microbe, and The Drawer Goblins. If science is your thing, there is a section of Mad Science. Here you can learn how to make pepper float and raisins dance, or take a stinky-pee test.
