Synopsis

Church Publishing is pleased to offer this exclusive edition of the 1979 Book of Common Prayer (BCP). Ideal as a pew book or gift, this Prayer Book features luxurious imitation leather binding (Vivella) with a soft, matte finish. A textured cross is embossed on the cover, with gold lettering on the spine. The cover is available in red or forest green, colors available only in this Church Publishing edition. The Prayer Books is sturdily assembled, with smyth-sewn pages and a spine that won't crack under heavy use. The text is easily readable in 9-point type. A presentation page and certificates for the rites of Baptism, Confirmation, and Marriage are included. This edition of the Prayer Book is also available in red, black or wine.

Customer Reviews

This edition or format for the Book of Common Prayer is nicely produced, and would make a nice presentation gift. I bought it for its compactness and soft but not paperback cover, but not as a gift.As it happens, I returned it when I realized that the size and shape was not going to work for my purposes (to take on trips and maybe keep in car-- I'm an Episcopal priest). I was shocked to learn upon returning it that deducted a 50%-- yes, that's right, 1/2-- "restocking fee" from my refund-- in addition to a $3.99 charge postage. I do not recall seeing a prior indication of that restocking fee anywhere. To be fair, I might have missed it: but I have up till now trusted as a retailer with reasonable policies and practices.No more trust, . This fee is completely unconscionable.UPDATEYes, I did try to look up information about restocking. No, there was no

readily discoverable information. I replied to the notice about the refund and non-refund, and got the expected nobody-reads-replies-to-these-messages response, along with the customary and useless advice to look online for help. print is a little light

I was looking for a streamlined BCP for devotional and travel purposes, and this is perfect for my needs. This takes up far less space in my bag than the pew sized hardcover version I was carrying around to coffee shops. The font is small, but it is still easy to read: except for the section containing Historical Documents. In that section, the font is very small, but in spite of that, the printing is very clear, so it is easy to make out the words. Also, I don't think many people would purchase this edition if they desired to study the 39 Articles or the Chicago-Lambeth Quadrilateral.The cover is dark green and is nicely bound. The edges of the pages have a faint yellow tint. Includes special pages for presentation, baptism, confirmation, and marriage. It also includes one gold colored ribbon bookmark. Overall, I am very happy with this edition.

Just what I ordered and what the reviews said, print is tiny. I don't like the paper but you get what you pay for so I was okay with that.

Binding is great and the printing is very good. A little too wide for a pocket, but travels easily

It was exactly what I was looking for I use every Sunday.

Had to return it...printing MUCH too small.

It is exactly as presented. Very good.
