Customer Reviews

Have been using it now for some time and is still as good as ever plenty of room, easy to zip and is still as soft and stitching is just like the day I got it, and so many people love the poem on it and how it feels to the touch.

This is a great inexpensive Bible Cover. It's large, but not thick enough for a LARGE PRINT Study Bible. I still use it for another Bible and it's great because I have room for a study guide and some pencils etc. It zips closed so I don't drop anything in transport. It would have been nice to have a handle to carry it with, but it's still a super cover for the price. I highly recommend it for large Bibles, even a study Bible would fit, if it's not a LARGE PRINT version.

This is a beautiful bible cover, the quality is very nice and the sizing is great. Although it is too big for my bible. I still use it and with the pockets on the inside, it is just enough room for a smaller sized note book and two pen holders wow one for highlighter and the other for pen or pencil. The foot print poem inspires me that I truly am not alone. Because of the quality and great pricing I actually ordered the med. one that will fit my bible. Highly recommended. SKYY

I always liked the footprints and when I saw it on a biblecover I knew that was the one I wanted. However, it is rather large for my bible and I was considering returning it but I didn't see a smaller version so I am using it anyway.

Thickness wise it's ideal for my bible, it is just a little longer than I am accustomed to, but works very well. It is made very well, and is of good quality. There are two spots for pens or highlighters. I like having "Footprints" printed on the cover. With it zipped closed, it will protect your bible from spills and drops to the ground. I have a hard cover bible and it fits nicely in, but like I said, it is just a little longer than expected.

We bought this as a gift for my daughter. She absolutely loves it. It is beautifully made. My daughter uses it DAILY and it has held up fabulously over the past year. It has enough room for her to put a small writing tablet and pens too. HIGHLY recommend.

This was a birthday present for my wife and she loves it. It fits her Bible perfectly and has plenty of room for more taking materials. The craftsmanship is first rate. I would recommend it to anyone who is looking for a Bible Cover.

I bought this based on the specified size and yet it was far too large, I had to return it. My children were very disappointed, as was I for the time wasted. We have not found a replacement as of yet and do not trust the specifications under product information any longer.
