Customer Reviews

This is an excellent resource for people like me! I have never really "known" how to pray and went to see the movie War Room recently. After the movie I was so moved and inspired once again to learn "how to" pray! So I looked up to see if there were others looking for the same thing and found this book and the bonus was that it was on ! I highly recommend this Book! It is like the for Dummies series except about prayer! LOVE LOVE LOVE IT!

I saw the movie, and it was amazing. In to people complaining about DVD clips or DVD it would cost way more than $7.99. Don't let the devil steal your joy, and try to push people away from Gospel. We should be examples if we are Christians, and slow to Anger.

I'm leading a small group through this Bible study. You will need the leader kit with the DVD and a

study book for each group member. There are 5 sessions plus each of the 5 weeks has 3 lessons for homework. Each homework lesson is 2 pages long. The 5 sessions include: 1) Honest Evaluation 2) Real Accountability 3) Living the Gospel 4) Victory Accomplished 5) Impacted by Grace A wide range of Scripture is utilized from both Old and New Testaments. There is a 1-page "User Guide" and the notes for leaders are minimal at best, but the session flow is pretty straightforward.

Really like this Bible Study. Asks the difficult questions. I made lots of notes in the margin - just for me. I would give it 5 stars, but there was no disc included. Thankfully, I remember the movie so well I could follow along with the pictures.

25 lessons, (1 short movie clip lesson, 1 application lesson and 3 homework lessons for each week of study). If you are teaching a 5 week bible study class and each class last about an hour, you will not have enough time to discuss and review the materials studied. The author has written 2 additional books that when combined with the bible study will help the class to get more from the bible study. The "This is War" journal book should be used as additional resource if teaching young teens or young adults. The "Battle Plan" book should be used as additional resource if teaching adults.

Waited several weeks for receipt even though I am Prime member. ’s Description of Bible study book (looks like a print-on-demand self publishing effort) clearly indicated video clips (on DVD) were included and yet nothing came with item. Would classify this as a handout or booklet, not a book. Five very brief lessons; that’s it. Have requested exchange in hopes promised DVD is included.

I saw the movie and I have to say with out a doubt this movie stirred something in me that was dead. I have always knew the power of prayer. I was a part of a Intercessory Prayer Group for many years. My mother taught us kids at a young age the power of prayer. This movie had me looking at my own life and how God uses the circumstances in our lives to get us to the place He’s been calling us. But when we refuse to listen to God circumstances have to happen to get our attention. After I watched it me and my husband watched it together and he was moved by it so much that he literally cried almost through the movie. The message is so powerful that you can sense the Holy Spirit speaking to both me and my husband. After the movie was over, my husband grabbed my hands and he started praying immediately asking God to forgive us for all the wrong and for putting

other things ahead of God.As humans I don't know why we have to see a situation as being bad before we war when we should war every day. A must see for everyone! My prayer is that every family should see this movie and red the book. Because God worked in every area of this family, not just the marriage but the daughter as well and the GRACE God provided. I say thank you Lord for speaking to those who directed and wrote the words of this film. For Lord you deserve and get all the Glory. AMEN

Just like the movie, this is timely and powerful. Easy to do, but challenging as well.
