Customer Reviews

I used this book to tell children at church about Kenya before I took a trip there. It is beautifully illustrated and does a great job giving an overview of the country for small children.

This book is absolutely WONDERFUL! A perfect way to introduce the countries and cultures of Africa to young children. The book made me want to get on a plane to Nairobi!

This book arrived in excellent condition and was exactly what I was hoping for. It is a gift for a two-year old whose father is from Kenya.
